### MORMONS OR LATTER DAY SAINTS.

---

It has been ascertained that  
**Mormon Missionaries**

are calling at homes and circulating tracts in this district. The tracts in themselves appear harmless, and are written with the object of inducing people to attend their Meetings; but when Converts are made they introduce, by gradual steps, the

**ABOMINABLE DOCTRINES of MORMONISM**

and when a **YOUNG WOMAN CONVERT** is finally secured, she is persuaded to leave this country for Salt Lake City where

**POLYGAMY IS BELIEVED IN AS PART OF THEIR RELIGION.**

THE **ANTI-MORMON LEAGUE** will be glad if Employers will inform them should any call on them after receipt of this notice, and would be a favour if they would forward any communications to—
